## RIDE OF THE MONTH

### **Kevin Brown Wins for August with a Berry Good Birthday Ride and Party**

Fourteen riders joined Kevin Brown on a leisurely ride through Washington Park and down the Interurban Trail to Woodside Road and back. Then he got the raspberry – literally. For his 49<sup>th</sup> birthday party, Kevin's wife Lola Lucas provided a delicious chocolate raspberry cake with a bicycling theme, which Kevin had requested and had been dreaming about for months. Kevin brewed a raspberry wheat ale for the enjoyment of dozens of SBC members and other family friends. A berry good time was had by all. Thanks, Kevin and Lola!

## ALMOST ANYTHING AWARD

### **AAA Winner Bill Houlihan Arranges a Rare Meeting at the Governors Office**

Putting the Interurban on the radar screen of the highest office in the state, Bill Houlihan, Downstate Director for the Office of U. S. Senator Dick Durbin, succeeded in scheduling a meeting at the Governor's office with the principal parties to discuss options for the Trail. Present were representatives from IDOT, IDNR, Commerce Commission, Norfolk & Southern Railroad and the Governor's Office, Ed Barsotti of the LIB, Bill Houlihan and Ann Daugherty from Sen. Durbin's office. And of course, Lynn Miller and Bill Donels of Springfield Bicycle Club. IDOT seems poised to consider options to separate the Trail from a crossing of the railroad and MacArthur. We are very pleased with the leadership Bill Houlihan and Senator Durbin have provided to protect the integrity of the Trail.

## LEAD WATER BOTTLE

### **Terri Nelson's Big Dog Encounter on RAGBRAI**

Just before turning in one night on RAGBRAI, Terri Nelson took her contacts out and went to the restroom. When she came out she noticed someone had left their large black dog unsupervised, and that it was sitting in her path. She yelled "scat" and "shoo" but the beast would not move. Terri edged around it and made it back to her tent alive, complaining to her fellow bikers about rude people who let their dogs run loose. The next morning she discovered the "dog" was actually a fire hydrant. We appreciate all of her work designing the CCC brochure, but for being too vain to wear her glasses, Terri has earned the lead.

## The President's Report

### Dave Ross

Does anyone besides me remember the kindergarten song, "The wheels on the bus go 'round and 'round"? I've got it stuck in my head these days, but the words I'm using now are, "Volunteers make the Club go 'round and 'round'!"

Volunteers make the Springfield Bicycle Club great. Elsewhere in this issue is a list of all the volunteers for this year's very successful Capital City Century; if you see one of these volunteers on the road, be sure to thank them for their time and efforts. In addition, we have folks who volunteer for our Old Jacksonville Road clean-ups, Senior Olympics, Iron Horse Triathlon, annual

picnic, holiday party, leading rides, and so on and so forth. All these volunteers deserve our heartfelt thanks.

Board members are also volunteers. Over the past year while I've been on the Board, I have been impressed by how much work the Board members do behind the scenes, often for little or no recognition. Why do they do it? To give a little bit back to the Club that has done so much for them.

At our September Board meeting, new Board members were elected. Board members who are retiring (or at least taking a hiatus from serving on the Board)

include Chuck Orwig, Cindy Moreno, Cindy Kvamme, Jerry Ihnen, Tom Clark, Curt Evoy, Christa McLaren-Morris, and Lyn Schollett. If you see any of these folks on the road – or any other past Board members – please thank them for their service.

So, thanks to all our Club volunteers for all that you do. And if you are a Club member who hasn't volunteered in the past, think about doing so this year: lead a ride, bake a cookie, pick up some litter, staff a food stop, serve as a corner marshal, drive SAG. Let's all keep the Club going 'round and 'round.

See you on the road!

### CC Food Thank You

#### Lynn Miller and Sue Hack

The food to feed the riders for the CCC does not happen without volunteers at every turn. We would like to thank the following people who worked hard on a hot day at the food stops: Dara Voss, Cindy Kvamme,

Cindy Moreno, Francie King, Christine Kohlrus, Jon Edwards, Bob Sorenson, Garland Stevens,

Terry Clark, Lynn Rhoades, Deb Cooper, Alan Josephson, Linda Butler, Mike Becker, Jan Cimarossa, Jack Elston, Dave Lucas, Daniel Ewing, Lanny Pratt, Mike Elston, Lenny Miner, Harriet Josephson, Brea Elston, Kedra Elston, Christa McLaren-Morris, Kathy Fox, Gerry Orwig, Judy Shipp, Gary Boner, Kathleen Winhold, Curt

Winhold, Don Byrd, Roger McCredie, Lyn Schollett, Hope Rolens, Byron Nesbitt, Candy German, Dave Ross, Ken Anderson and Curt Evoy. A special thanks goes to Harriet Josephson, Dara Voss, Byron Nesbitt, Dave Ross and Curt Evoy for being chairpersons of the respective food stops.

## Board Meeting Notes - August 2, 2005

### Dave Ross

Attending: Chuck Orwig, Karl Kohlrus, Dave Lucas, Lyn Schollett, Alan Josephson, Bill Donels, Lynn Miller, Curt Evoy, Ken Anderson, Christa McLaren-Morris, Cindy Kvamme, Cindy Moreno, Dan Butzirus (HAM Radio Club), Dave Ross.

While enjoying snacks and butter cake provided by Ken, the minutes of the July meeting were approved.

Treasurer's Report. Dave Lucas reported that our balance as of the end of July is \$15,379.21.

Ride Schedule and Meetings. Cindy Moreno noted that there are still some open ride dates in September, including Labor Day. No morning rides will be planned for the Senior Olympics weekend since we want to encourage volunteers to assist with the Olympics. The next Board meeting will be on Tuesday, September 6, at Dave Ross'.

Awards. Since Tom Clark was out of town, Chuck presided over the awards. John and Judy Day were awarded with the Ride of the Month for their Red,

White and Blue potluck. There were many nominees for the Almost Anything Award: Dave Lucas handled "presidential" phone calls and email while Chuck was in France; Micci Bly escorted Lance (the dog) to safety on a ride; Alan and Harriet for the annual picnic; and Lance and Lisa Kidd for their awesome feats of riding in France. The AAA was awarded to Lance and Lisa. Christine Kohlrus nominated herself for the Lead Water Bottle award after Sue Hack – not known as one of the fastest riders in the club – had to ask Christine to "speed up a little" on the trail. With much hilarity, the Board awarded the LWB to Christine.

Legislative / Education Report. Lynn reported that we have had a reply from the Secretary of IDOT: while there is no real resolution yet, IDOT says they are considering our concerns regarding the MacArthur extension project. Lynn and Bill are trying to set up a meeting with Christine Reed of IDOT to continue this discussion.

Karl mentioned that the meetings regarding the San-

gamon Valley Trail went well. Sangamon County is ready to begin work on the portion of the trail from Centennial Park to Stuart Park. Many people at the public meetings asked for that project to be extended beyond Stuart Park to the bridge over the Sangamon River. Bill Donels noted that Ray LaHood added \$400,000 to the federal transportation bill earmarked for this trail.

Social Chair Report. Alan noted that Mike Royer is out of the hospital. It was also noted that the picnic was at a nice location and a nice time. Perhaps we should keep the picnic in the evening.

Special Events. Jerry was unable to attend this meeting, but Dan Butzirus from the HAM radio club talked to us about plans for the CCC. They will set up a semi-secure digital network between the Beach House and Auburn, and will have more GPS tracking capabilities in the SAG vehicles this year. The Board expressed its appreciation to the radio club for their assistance.

Chuck noted that he will

contact Jerry about setting up a CCC meeting to ensure that everything is in place.

**Quick Release.** Curt reported that all is well with the newsletter. A question was raised about the software that the new editor may need; the Club will purchase software if necessary.

**Nominating Committee.** Lyn reported that the committee had identified nominees for most Board positions, but a few positions were still open. The Board thanked the committee for their hard work, and asked them to continue working; Board elections were postponed until the September meeting.

**Old Business.** The “to discuss” email list was brought up; the Board approved a motion to change the list from an “announcement”

list to a “moderated discussion” list, with David McDivitt serving as the moderator. This will enable any subscriber to the list to post items to the list with the moderator screening messages for appropriateness before sending them on to the entire list.

**New Business.** An issue regarding the SBC's use of the local trails was raised. When we begin a ride at one of the trails, we put a lot of riders on the trail at once – and these riders tend to be faster than the “normal” trail users. This is especially a problem for the weekly evening ABC training rides. The consensus of the Board was that it is not good for the SBC to monopolize the trails in this way. It was suggested that training rides be rerouted to avoid use of the trails, and that rides not begin on the trails. (A longer ride that

uses a trail in the middle or at the end of the ride is OK because our riders are more spread out by then.)

A question was raised about the Around Illinois Back Roads tour; Chuck will follow up on this.

Dave Lucas noted that the price for club name badges has gone up again; the Board changed the fee for name badges to \$10.00.

The Rochester Women's Club is trying to get a “comfort station” built at the Rochester trail head; the SBC has written a letter of support for this effort.

With thanks to Ken for his hospitality, the meeting was adjourned.

Next meeting: 7:00 p.m., Tuesday, September 6, at Dave Ross' home, 1620 S. Whittier.

## Incentive Chair Transition

### Tom Clark and Sue Hack

If you have worked hours for SBC volunteer events this year, thank you! For every five hours you work, your name goes in the hat for a drawing at the Holiday Party for a gift certificate at your favorite local bike shop. Thanks to Secretary Cindy Kvamme for organizing volunteers again this year. VP-Rides Cindy Moreno did a great job with her Ride Leader incentive program as well. Also thanks to members who have been submitting ride miles to Records Keeper Karl Kohlrus. These miles apply toward Spinner Awards Ceremony prizes. And thanks to Karl for keeping members' miles again in 2005.

*Volunteer hours.* Anyone who works hours in connection with an SBC volunteer event (i.e., Old Jack Cleanups, Derek's races, Iron Horse, Century, Senior Olympics) during the year is encouraged to submit the

day, the event and hours worked to the new Incentive Chair, Sue Hack, by e m a i l a t shack@familyonline.com or 546-4514. All hours submitted to date have been logged, and the spreadsheet has passed on to Sue.

*21<sup>st</sup> century mileage pin distribution.* Every member who rides 1000 or more miles during a calendar year is encouraged to pick up their mileage pin at the Spinner Awards Ceremony in January. Because about 90 mileage pins never made it to 53 rightful owners from 2000 through 2004, an effort is underway to distribute remaining pins by December 31. We'll start anew next year.

*Monthly awards.* We have four monthly prizes announced in the QR: Ride of the Month, Almost Anything Award, Rider of the Month, and Lead Water Bottle (debatable if Lead is an "award"). For two of

these prizes, Rider of the Month and Almost Anything Award, there's a collar or band that fits over a bicycle's top tube. Each winner passes the collar on to the next. Winners helped make this process go smoothly this year. You can bask in the limelight when you read about winning Ride of the Month, but there's no bike collar for this award.

*Where's the lead?* The Lead Water Bottle is an actual object, a water bottle filled with Lead shot, designed to be carried by willing recipients. We're sad to report that the Lead is missing. We have not received photographs of the Lead in exotic locations, or reports of its untimely demise, so we assume somebody has just forgotten to pass it on or give it back to the Incentive Chair. Please advise Sue Hack if you know where the Lead is.
