March 2012

Ride of the Month

Mark Rabin's Hot Chocolate Ride was voted this month's Ride of the Month. Great weather drew over 20 cyclists. After pedaling for 25 miles, the riders returned to Mark's home where they warmed up with hot chocolate, wine, cookies, brownies and plenty of good conversation. Thanks Mark.

Almost Anything Award

The Almost Anything Award goes to Jim Hajek for his hard work organizing and hosting the monthly social events. Jim scopes out locations, reserves the space, orders the food and sets up. At one event, he also picked up hot and cold food trays, carried them to his car, unloaded them at the bar and set up all the food. He's even been known to throw in a few jokes when serving as emcee. The events have been a lot of fun and enhance opportunities for members to socialize, with the Annual Winter Party at Maldaner's drawing over 100 people. Kudos also goes to Jim's wife Gladys who helped at the registration table for the Winter Party and several of the other events.

Monthly Ride Leader Incentive Drawing

Marty Celnick won this month's Rider Leader Incentive Drawing. Marty will receive a \$50 gift certificate to a local bike shop of his choice.

SPECIAL EVENTS

The SBC will be hosting the final socializer of the season on April 11 (2nd Wednesday) at The Dublin Pub located at The Vinegar Hill Mall.

President's Column

by Tom Clark, President

Daylight savings time resumes March 11! Until then, lights are required for our weeknight rides. They are still recommended in case your evening ride stretches into the sunset hours.

As the weather warms, more of us are out riding on the road or trails. As I noted last month, we now **offer online membership and renewal**. If your friends or relatives are beginning to ride this season, and thinking about joining the club, please tell them about the online option.

To join or renew your membership online, go to

www.spfldcycling.org/membership.htm

and click on the **Active.com** link.

Welcome to Alan Josephson, who has agreed to serve as VP-Rides for the remainder of the Board year. In March, we resume our leader-led weekend and holiday club rides. We will still offer Show-N-Gos when necessary. The weekend and holiday A-Rides will also continue, with a start time of 9:00 a.m. The A-Rides are for extremely strong and competitive riders, while the club rides are a bit more laid back. See the Ride Schedule for details.

Joint socializer with Ski Club on Thursday, March 15. We'll hold our March socializer at Boone's Saloon from 5-7 p.m., in conjunction with Springfield Ski Club. This first-ever joint SBC-SSC spring should complement our collaborative Octoberfest event, which is held every fall.

Biking Academy begins in March. Naomi Greene is organizing a Biking Academy once again for 2012. This event series was a big hit when it was last offered in 2010. Participants must be at least 18 and have a bike that's ready to ride. There is a fee for participation. See the Biking Academy article in the January QR for details. An orientation meeting was held in February. At press time, the remaining dates and times had not been finalized.

Bike Kitchen is underway. SBC member Robert LaBonte will be providing updates for the QR on the Bike Kitchen community project he has begun with Fletcher Farrar and others. See future QRs for details. SBC provided a seed grant to help the Bike Kitchen get started. The Bike Kitchen is a separately operated nonprofit community program that SBC supports.

Cycling Challenge returns next month! Derek and Brigetta Ewing plan will once again offer a SBC Great Cycling Challenge event series in 2012. The first Challenge event will be held next month, on April 29. The final Challenge is the Capital City Century on Sept. 9

March 2012 Ride Schedule

For updates, corrections and last minute changes to the ride schedule please check the SBC website at www.spfldcycling.org. Unless otherwise indicated, daytime rides will not take place on holidays. All rides return to the starting point unless otherwise noted.

RIDE CLASSIFICATIONS	
Code	Definition
NC	Non-Cycling events.
MB	Rides suitable for mountain bikes.
EZ	For riders who prefer a pace under 10 mph. These are purely social rides. Expect short routes either in town or on a trail and expect to ride as a single group. No one will be left alone at the back of the group and assistance is provided for flats and other minor mechanical problems.
D	For novice or recreational riders. Expect to ride at a pace of 10 – 12 mph with rest stops as needed. Expect the ride leaders or another club member to stay with the slowest rider and to offer assistance for flats and other minor mechanical problems.
C	For competent riders with basic safety and bike handling skills. These rides combine social riding with improving fitness and riding ability. Expect that most riders will ride in groups at a pace of about 12-15 mph. There may be rest stops on the route, but they will be limited. Riders are comfortable navigating by map if separated from the group and can handle their own mechanical repairs.
B	For strong, experience riders with considerable group riding experience. Expect the emphasis to be on improving individual stamina and riding skills. Most riders will maintain a pace of 16 – 18 mph and will not feel obligated to wait for slower riders. Pace lines are common. Riders are able to handle their own mechanical repairs and are comfortable navigating by map if separated from the group.
A	For extremely strong and competitive riders with expert biking handling skills. Expect riders to be self-sufficient and to maintain speeds of 19+ mph for extended distances using pace lines.

If you have questions about whether a specific ride is right for you, give the ride leader a call. If you are unsure about your cycling ability, try a ride with a group one class below where you think you might be. You can then move up until you find the level that is right for you.

Please arrive for rides 10 minutes early. Be sure that your bike is in proper working order before you arrive. All riders are strongly encouraged to obey traffic laws, wear a helmet, carry everything necessary to fix a flat tire, and bring hydration. If the ride leader fails to appear, form a group and go on a ride if you like. Then turn in your miles to the club record keeper (records@spfldcycling.org).

Board Meeting Notes - February 1, 2012

by Stephen Paca, Recording Secretary

Present. Tom Clark, Ken Anderson, Stephen Paca, Dave Lucas, Jim Hajek, Kevin Greene, Bill Donels, Lynn Miller, Marty Celnick, Ray Caruso, and Robert LaBonte.

The meeting was called to order by Tom Clark at 7:11 p.m.

President's Remarks. Tom Clark thanked Social Chair Jim Hajek for organizing a successful Winter Party, he also thanked Naomi Greene for suggesting Maldaner's as the venue. Tom introduced Ray Caruso, the new at-large member of the Board.

Minutes. Stephen Paca distributed a draft of the minutes from the February board meeting via e-mail. He made corrections based on feedback, and the minutes were approved.

Treasurer's Report. Dave Lucas presented the Treasurer's Report. He reported a balance of \$14,431.51 for the period ending 12/31/11. Dave remarked that the report reflected a payment to the League of Illinois Bicyclists for a CCC brochure mailing. Jim Hajek made a motion to approve the Treasurer's Report; Ken Anderson seconded the motion; and the Board approved the report.

Special Events Report. Tom reported that he and Alan Whitaker met with Patty Kuhn and Mark Kuhn, along with a graphic designer, from Springfield Clinic to discuss ideas for this year's CCC brochure and flyer design. The graphic designer is also working on an event logo for the CCC. Tom is also posting the event to several online sites.

Legislative/Education Report. Lynn Miller and Bill Donels met with director Mahoney regarding the bicycle-pedestrian way plan. There will be a public meeting with the city to get their input on how to keep the process moving forward. Kevin Greene indicated that the Bike Advisory Council met with the city's traffic engineer to discuss the draft of the bicycle-pedestrian way plan and the concerns that the city has with the proposed routes. The Council emphasized the need to have an interconnected

bike network throughout the city. Kevin gave an update on the Lincoln-themed downtown bike rack proposal; the city will be asking for bids for fabricating and installing the 20-25 racks.

Bill reported that the minimum pre-registered order amount for the Share the Road license plates has been met, so they are preparing to begin production on the plates. LIB sent out notices to the people who pre-registered for the plates.

Social Chair Report. Jim Hajek reported that there were 111 RSVPs to the Winter Party and 107 people attended. Jim reminded the Board about the dates and locations of the remaining socializers.

Incentive Chair Report. Mark Rabin's Hot Chocolate ride was voted Ride of the Month for January. The Almost Anything Award was given to Jim Hajek for organizing a successful Winter Party. Marty Celnick's name was drawn for the monthly ride leader incentive award.

Ride Committee Report. Lynn Miller reported that he's working on the March ride schedule and already has the March socializer in it. Alan Josephson will work on the ride schedules starting with April. There is now a separate "Other Area Rides" section published after the ride schedule, which is where other local rides, such as those originating from bike shops, are listed.

Newsletter Editor Report. Marty Celnick reported that he's waiting for articles to come in for the next issue. There was discussion regarding who at the printing company needs to get cc'd on e-mail messages; the proper distribution list will be sent out.

Webmaster Report. No report. Someone will contact Alan Whitaker to make sure Ray Caruso is added to the board e-mail forwards, and also to the contact page on the website.

Old Business. Tom reported that the initiative to get a discount for club members to the CycleFit classes

at FitClub didn't work out. He also reported that the Special Events Chair position remains vacant. In the meantime, volunteers who have performed certain duties before, such as marketing, are already working on their tasks.

New Business. Tom reported that he received an e-mail from Linda Wheeland looking for a club representative to serve on the steering committee to develop a bicycle-pedestrian plan for the rural communities. Lynn Miller volunteered to serve on that committee.

Will Reynolds could not attend the meeting to get club feedback on a grant-funded bike rack art project. This item was moved to the March meeting agenda.

Robert LaBonte attended the Board meeting to talk about the Bike Kitchen project. The goal of this project is to become a community bike shop that provides bike repairs at low or no cost, through the help of volunteers and donations of tools and supplies. There will be an informational meeting on Feb 13th. Kevin Greene made a motion for the club to donate \$500 to help the Bike Kitchen with startup costs; Ken Anderson seconded the motion; the Board approved the motion, with Dave Lucas abstaining from the vote.

Naomi Greene has set up an informational meeting to introduce the club to potential members and to publicize this year's special events, including: the Capital City Century, SBC Cycling Challenge, and Bike Academy.

The meeting adjourned at 9:23 p.m. The next meeting is scheduled for Wednesday, March 7th, 2012 at 7:00 p.m. at the home of Ken and Sandy Anderson.
