June 2012

Ride of the Month

Alan Whitaker's ride from Rotary Park was voted Ride of the Month for April. A sunny day drew over 15 riders. Alan planned to go to New Berlin, but 15-20 mph northerly winds forced a last minute change and the riders headed to Pleasant Plains and Salisbury. The long riders and short riders all ended up meeting together at the Morning Star Café for soup and pie. Thanks Alan.

Almost Anything Award

The Almost Anything Award goes to Senior Planner Linda Wheeland of the Springfield-Sangamon County Regional Planning Commission and her staff for preparing the proposed Bicycle and Pedestrian Master Plan for the city of Springfield and neighboring communities. Kudos also goes to Ed Barsotti of the League of Illinois Bicyclists for providing technical support during the planning effort. The plan is a significant first step in developing a connected system of bicycle and pedestrian corridors that will enhance travel throughout the area. The goal is to improve the livability of our communities by encouraging people to bike or walk as a means of transportation.

Monthly Ride Leader Incentive Drawing

Cindy Kvamme won this month's Rider Leader Incentive Drawing. Cindy will receive a \$50 gift certificate to a local bike shop of her choice.

President's Column

by Tom Clark, President

Thanks to everyone who participated in Bike to Work Week and Bike to Work Day in May. We'll seek to provide some statistics on ridership in the July QR. Kudos are due to the City of Springfield and its Bicycle Advisory Council and designer Dave Holland for the new Lincoln Penny bike racks unveiled on May 16, Bike to Work Day. Dave is also taking orders from private businesses. We hope to see more and more of these racks popping up around town and the greater Springfield area!

Also, many thanks to Susan Langheim of Friendly Chevrolet and Jeri Waldeck of Channel 55/27 for inviting SBC to talk about bicycling in the Community Events segment of the Friendly Auto Show, which began airing on Bike to Work Day! SBC was ably represented by Lynn Miller, who talked about Bike to Work Week, bicycle advocacy and CCC, and Becky Smith, who talked about cycling, health and nutrition. Much appreciated, Lynn and Becky!

The riding season is in full swing, and we have some great SBC riding opportunities coming up in June. On Saturday, June 2, Alan Josephson will

lead our traditional Kampsville Ride. Take the free ferry and climb some hills for 50 to 66 miles! The next day we do some easier pedaling, then some paddling. Mark Kuhn (652-6309) is taking reservations for up to 5 kayaks on an RSVP basis, for those who don't have a kayak or canoe but want to give the paddling part a try. In addition, Don Harvey has also invited us to Stonington for a bike ride and cookout on June 9.

NOTE: Folks who check ride schedules online have a leg up on kayak reservations for June 3. The new ride schedule and QR are usually posted online by the 20th of the prior month.

Those interested in a more casual-paced social ride will also have a number of riding opportunities in June, including a ride to the Apple Barn on June 16, an opportunity to ride to Rochester with Bike Academy participants on June 23, and trail ride options on June 10, 17 and 30.

See you on the road or trail!

New Lincoln Penny Bike Racks Unveiled

by Kevin Greene

The new Lincoln Penny bike rack was unveiled Wednesday May 16, at the opening of the Old Capitol Farmer's Market in downtown Springfield. The Mayor's executive assistant Willis "Bill" Logan, was on hand for the presentation. In his remarks, Logan pointed out that bike racks will help make the downtown a bike friendly destination, attracting shoppers for short trips and for use by business employees for longer durations.

Local product designer Dave Holland, who is also an avid cyclist and runner, developed the design based on an idea from Dr. Daniel Adair, a member of the Springfield Bicycle Advisory Council. Dr. Adair suggested an artistically-themed bike rack as a way to add a desirable element to the city's downtown streetscape.

The ideas evolved into the design of a Lincoln penny centered in the upper half of a traditional inverted U bike rack. The rack will support one or two upright bicycles by the frame; accept U-locks and cables; and accommodate locks securing the frame and one or both wheels. It is constructed out of strong metal tubing that can be securely anchored to the ground.

Plans call for installation of bike racks at 20-25 locations in the downtown business district. Workers and visitors to the downtown area should soon see the unique racks at convenient, usable locations, in close proximity to building entrances. At the Lincoln Library, four racks will be grouped in a row to provide additional bike parking.

Initial funding for the bike racks will come from the downtown TIF district. Dave Holland and Bill Belton were the winning bidders to fabricate and install the racks. The city is considering a proposal to allow local businesses to sponsor additional bike racks on city property or on right-of-ways. Commercial establishments and other facilities that want to provide secure bicycle parking for their employees and customers will be able to purchase the racks directly from Holland.

Michael Higgins, Dave Holland, Kevin Greene, and John Allen pose with some of the new Lincoln Penny bike racks after their unveiling in downtown Springfield on Bike to Work Day, Wednesday, May 16, 2012.

June 2012 Ride Schedule

For updates, corrections and last minute changes to the ride schedule please check the SBC website at www.spfldcycling.org. Unless otherwise indicated, daytime rides will not take place on holidays. All rides return to the starting point unless otherwise noted.

RIDE CLASSIFICATIONS	
Code	Definition
NC	Non-Cycling events.
MB	Rides suitable for mountain bikes.
EZ	For riders who prefer a pace under 10 mph. These are purely social rides. Expect short routes either in town or on a trail and expect to ride as a single group. No one will be left alone at the back of the group and assistance is provided for flats and other minor mechanical problems.
D	For novice or recreational riders. Expect to ride at a pace of 10 – 12 mph with rest stops as needed. Expect the ride leaders or another club member to stay with the slowest rider and to offer assistance for flats and other minor mechanical problems.
C	For competent riders with basic safety and bike handling skills. These rides combine social riding with improving fitness and riding ability. Expect that most riders will ride in groups at a pace of about 12-15 mph. There may be rest stops on the route, but they will be limited. Riders are comfortable navigating by map if separated from the group and can handle their own mechanical repairs.
B	For strong, experience riders with considerable group riding experience. Expect the emphasis to be on improving individual stamina and riding skills. Most riders will maintain a pace of 16 – 18 mph and will not feel obligated to wait for slower riders. Pace lines are common. Riders are able to handle their own mechanical repairs and are comfortable navigating by map if separated from the group.
A	For extremely strong and competitive riders with expert biking handling skills. Expect riders to be self-sufficient and to maintain speeds of 19+ mph for extended distances using pace lines.

If you have questions about whether a specific ride is right for you, give the ride leader a call. If you are unsure about your cycling ability, try a ride with a group one class below where you think you might be. You can then move up until you find the level that is right for you.

Please arrive for rides 10 minutes early. Be sure that your bike is in proper working order before you arrive. All riders are strongly encouraged to obey traffic laws, wear a helmet, carry everything necessary to fix a flat tire, and bring hydration. If the ride leader fails to appear, form a group and go on a ride if you like. Then turn in your miles to the club record keeper (records@spfldcycling.org).

To Pearl

We arrived on two wheels
in lycra and spandex
helmets and glasses,
grinning as we stopped
at the Apple Barn for a break.
Did we look like mummers
from a New Orleans parade?
-ordering goodies, cider,
gabbling like geese
bantering with you,
the staff and customers.
What a chuckle you had
as we chatted about
this and that.
You'd be at work
making carmel apples
checking the 'loft'
of a meringue pie.
You'd give us a sample
of a new treat,
then turn to hug a child.
We became part of your family,
as you became one of us!

This Spring,
There is an empty chair
where you rested
between chores.
We will come
and toast your spirit.
Yes, we love Gayle
and the Apple Barn,
but you are mother
to the kitchen,
our stomachs,
--our hearts.

Board Meeting Notes - May 2, 2012

by Stephen Paca, Recording Secretary

Present. Tom Clark, Alan Josephson, Ken Anderson, Stephen Paca, Jim Hajek, Kevin Greene, Bill Donels, Lynn Miller, Marty Celnick, Alan Whitaker, Ray Caruso, and Bill Kinsler.

The meeting was called to order by Tom Clark at 7:07 p.m.

President's Remarks. No remarks.

Minutes. Stephen Paca distributed a draft of the minutes from the May board meeting via e-mail. He made corrections based on feedback, and the minutes were approved.

Treasurer's Report. Dave Lucas distributed the Treasurer's Report via e-mail. He reported a balance of \$12,411.11 for the period ending 04/30/2012. In addition, Dave suggested changing the name badge fee to \$12 to keep in line with current production costs. Lynn Miller made a motion to approve the Treasurer's Report; Jim Hajek seconded the motion; and the Board approved the report. Alan Josephson led a discussion regarding the club's budget.

Special Events Report. Tom Clark led a discussion about the CCC t-shirt. Kevin Green suggested that any decisions regarding T-shirt design are handled by the t-shirt chair. Kevin reported on the status of filling more chair positions for the CCC. Alan Whitaker is preparing to mail the event brochure to past participants. Tom and Stephen Paca volunteered to help with data entry for this task. Alan made a motion to make the price for all CCC shirts \$15; Ken Anderson seconded the motion; and the Board approved the motion.

Legislative/Education Report. Lynn Miller reported that he, along with Alan Whitaker, Kevin Greene, and Tom Clark, sent feedback on the SSCRPC Bicycle Pedestrian Way Plan. Kevin reported that the county is releasing all the comments about the plan; the SATS technical committee will meet, and Linda Wheeland will get feedback on how to respond to the comments about the plan. Kevin also reminded the Board about Bike-To-Work Week and the group commute on May 16.

Social Chair Report. Jim Hajek reported on the last socializer that was at Dublin Pub at Vinegar Hill Mall. He estimated that about 30 club members attended. Jim is also working on a multi-club social event later this year.

The Board discussed memberships and renewals. Alan Josephson volunteered to form and chair a membership committee. Ken Anderson will be sending reminders to past due members.

Ride Committee Report. Alan Josephson reported that he is sending out revisions for the June ride schedule and is halfway through completed the July ride schedule.

Incentive Chair Report. Kevin Greene conducted the Incentive Awards. Alan Whitaker's ride was voted Ride of the Month for April. The Almost Anything Award was given to Linda Wheeland, Ed Barsotti, and the staff at SSCRPC for the work on the Bicycle-Pedestrian Way Plan. Cindy Kvamme's name was drawn for the monthly ride leader incentive award.

Newsletter Editor Report. Marty Celnick reported on the status of the newsletter.

Webmaster Report. Alan Whitaker reported on what items he plans to include in the announcements. Alan plans to move CCC information back to the front page.

Old Business. Tom led a discussion on filling the special events positions. Tom also reported on that status of cleaning out remaining club supplies at the Spinner Plastics storage location.

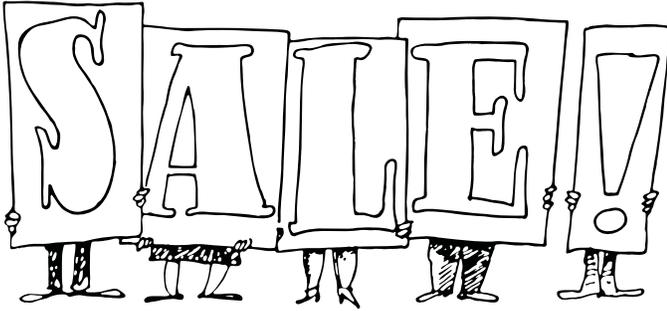

New Business. Tom led a discussion about the Harrison Park-Sangamon Valley Trail access issue. Tom will follow up with Kent Kraft about a proposed solution to build a path around the gate.

The Board discussed the option of delivering SBC brochures to the local bike shops instead of the monthly newsletter delivery.

The meeting adjourned at 8:56 p.m. The next meeting is scheduled for Wednesday, June 6, 2012 at 7:00 p.m. at the home of Ken and Sandy Anderson.
