## Incentive Report

by Stephen Paca, Incentive Chair

**RIDE OF THE MONTH:** The 41st annual Capital City Century, chaired by Harv Koplo, was voted as Ride of the Month for September 2013. Despite a stormy start, hundreds of riders got on the route towards the Loami and Auburn food stops. By mid-morning the sky began to clear to dry the riders off and after lunch, everyone was able to enjoy sunny conditions as they made their way back to the K of C hall to celebrate their accomplishments with entertainment, cold refreshments, and delicious food. Thank you to all who rode the CCC!

**ALMOST ANYTHING AWARD:** The October AAA goes to all the Capital City Century volunteers! The volunteers included club members and friends, students from local schools, radio operators from Sangamon Valley Radio Club. In addition, we had volunteers from many of our sponsors, who also made contributions or donated goods or services to the event. Thank you all for helping to make the CCC a successful event!

**MONTHLY RIDE LEADER INCENTIVE DRAWING:** Mark Kuhn and Steve Sommer's names were drawn for the monthly ride leader incentive award. They will receive a gift certificate to a local bike shop of their choice. Congratulations, and thanks for being ride leaders!

*Any rider or member can nominate rides or leaders for the above recognition.  
Please send nominations or ride anecdotes to incentive (at) spfldcycling.org*

## **President's Column**

by Tom Clark, President

A number of transitions are occurring on our SBC Board of Directors as a new Board year gets underway. **Alan Whitaker** has become Board Secretary, replacing **Ken Anderson**. Ken has stepped down after 8 years as Secretary, to become an At Large member. **Harv Koplo** continues as Special Events Chair, while **Ray Caruso** has become an At Large member. **Stephen Paca** has become Incentive Chair, replacing **Naomi Greene**. **Chanell Bradbury**, a new Board member, replaces Stephen as **Recording Secretary**, and also assumes a new position, **Membership Chair**. **Joe Agner** and his son, **Mike Agner**, will become QR co-editors in December, replacing **Shirley Baer**. Our other Board members are continuing in their prior positions. Many thanks to all! **We are still looking for a Vice President.**

Our new overall goal is to help the Springfield area become more “Bicycle Friendly”, which includes helping the City attain the League of American Bicyclist’s **Bicycle Friendly Community** status. Our Legislative-Education Committee Co-Chair, **Bill Donels**, is spearheading this effort, and is meeting with municipal officials to lay the groundwork. The City already has a number of components in place. We’ll share more soon about ways that SBC members can help.

Our first standalone Socializer of the year will be November 13, at Fulgenzis on Sangamon Avenue. Social Chair **Gladys Hajek** says the theme will be “Fear of the number 13 déjà vu”!

During the riding “off season” (November through February) it is our policy to schedule Show-N-Go rides from Vredenburg Park on most weekend days—the two exceptions are (a) traditional annual rides, where we will contact the prior year’s ride leader, and (b) rides that a club member asks us to schedule. We’ll resume active scheduling next March.

**Marty Celnick** is our ride scheduler for December. If you’d like to volunteer to lead a ride in December, please contact Marty at martincelnick300 (at) comcast.net. Marty is one of the eight people on our newly formed Ride Committee. Each Ride Committee member has taken responsibility for scheduling rides for one to two months, from now through October 2014. We hope that having a full Ride Committee will make it easier to find a VP.

Leader-led rides in November include a **Winery Ride** with **Mike Kokal**, a new ride leader, on November 2<sup>nd</sup>, and the annual **Back to Standard Time Ride** with **Jerry Ihnen** on November 3<sup>rd</sup>. On Saturday, November 9, **Kevin Greene** will lead a **Veterans Day Observance Ride** – the alternate date is so that riders can visit related museums that are closed on state holidays. Our traditional Annual Thanksgiving Day Cold Duck ride Show-N-Go is November 28.

The weekend & holiday A-level rides organized by **Lisa Kidd** are a great option for extremely strong and competitive riders with expert bike handling skills. As such, they compliment our (typically) slower-paced, shorter weekend & holiday Club rides.

See you on the road or trail!—Tom

## **Biking the GAP and C&O** **from Pittsburgh, PA to Washington, D.C.**

by Harold and Janet Glick

<http://www.bikingpittsburghtodc.blogspot.com/>

In September, Harold and Janet Glick took on the challenge of biking from Pittsburgh, PA to Washington, D.C. They are SBC riders in the D category. All it takes is determination. It was an experience of a lifetime. It was 2 connecting bike trails the entire way, the Great Allegheny Passage (GAP) and the Chesapeake & Ohio Canal Towpath (C&O). We logged 361 miles, which included our travels into various towns to obtain lunch and reach our B&B's for lodging. Once we reached D.C., we spent 3 days touring the town by means of our bicycles. D.C. is a VERY bicycle friendly town and very easy to navigate around on bicycle to all of the tour sites. It was an awesome experience and full of historical education.

In September 2012, we bicycled across Missouri on the Katy Trail, logging 241miles.

Any suggestions for our next endeavor?

## November 2013 Ride Schedule

For updates, corrections and last minute changes to the ride schedule please check the SBC website at [www.spfldcycling.org](http://www.spfldcycling.org). Unless otherwise indicated, **weekday** daytime rides will not take place on holidays. All rides return to the starting point unless otherwise noted.

RIDE CLASSIFICATIONS	
Code	Definition
<b>NC</b>	<b>Non-Cycling events.</b>
<b>MB</b>	<b>Rides suitable for mountain bikes.</b>
<b>EZ</b>	<b>For riders who prefer a pace under 10 mph.</b> These are purely social rides. Expect short routes either in town or on a trail and expect to ride as a single group. No one will be left alone at the back of the group and assistance is provided for flats and other minor mechanical problems.
<b>D</b>	<b>For novice or recreational riders.</b> Expect to ride at a pace of 10 – 12 mph with rest stops as needed. Expect the ride leaders or another club member to stay with the slowest rider and to offer assistance for flats and other minor mechanical problems.
<b>C</b>	<b>For competent riders with basic safety and bike handling skills.</b> These rides combine social riding with improving fitness and riding ability. Expect that most riders will ride in groups at a pace of about 12-15 mph. There may be rest stops on the route, but they will be limited. Riders are comfortable navigating by map if separated from the group and can handle their own mechanical repairs.
<b>B</b>	<b>For strong, experience riders with considerable group riding experience.</b> Expect the emphasis to be on improving individual stamina and riding skills. Most riders will maintain a pace of 16 – 18 mph and will not feel obligated to wait for slower riders. Pace lines are common. Riders are able to handle their own mechanical repairs and are comfortable navigating by map if separated from the group.
<b>A</b>	<b>For extremely strong and competitive riders with expert biking handling skills.</b> Expect riders to be self-sufficient and to maintain speeds of 19+ mph for extended distances using pace lines.

If you have questions about whether a specific ride is right for you, give the ride leader a call. If you are unsure about your cycling ability, try a ride with a group one class below where you think you might be. You can then move up until you find the level that is right for you.

Please arrive for rides 10 minutes early. Be sure that your bike is in proper working order before you arrive. All riders are strongly encouraged to obey traffic laws, wear a helmet, carry everything necessary to fix a flat tire, and bring hydration. If the ride leader fails to appear, form a group and go on a ride if you like. Then turn in your miles to the club record keeper ([records@spfldcycling.org](mailto:records@spfldcycling.org)).

Ken Anderson motioned to approve the Treasurer's Report; Harv Koplo seconded the motion; and the Board approved the report. The 2013 CCC report indicated a total income of \$30,068.33, expenses \$20,908.00, with an current balance of \$9,160.33. The IDOT reported at the meeting that they simply do not have the money coming in like they need. They also attended the city council meeting. They are reportedly waiting for a meeting to be set up with the meeting. The city council is supportive of a bicycle friendly community for Springfield. The Bicycle Advisory Board intends to secure connections within the city in the areas of the mayors office, the school district and community, and the local police departments. Reported the League of Illinois Bicyclists scorecard. The LIB has a slide show presentation that would be available for our uses, as well as a bicycle safety quiz available online that can be linked to via the SBC website. be resolved, but still being pursued. Lynn Miller supplied a photo copy of that report. They are looking into possible local sponsors for funding of the project. Springfield school District 186's approval is needed, and will be sought out initially through the school principal as well as the Franklin Middle School PTO. Suggested surveying the area for statistics on public access of trail and traffic on it. Motion to approach construction companies for sponsorship by Lynn Miller, second by Jim Hajek, Board approves. Reported striping of Laurel, within Leland Grove as well as into Springfield.
