November 2014

*A few words from Tom Clark, SBC President . . .*

Welcome to our new SBC Board for 2014-15! **Julie Ann Love** has joined us as Social Chair, replacing **Gladys Hajek**. Thank you for your service, Gladys! Many board members are continuing, including two who are now interim—our Vice President, **John Nelson**, and our Board Secretary, **Alan Whitaker**. They are continuing to fulfill their Board duties, but have asked us to find new volunteers to replace them as soon as feasible during the Board year. If you are interested in one of these Board positions, or know somebody who might be interested, please contact John or Alan directly, or contact me.

We had an amazing second weekend in October. First, **Linda and Ernie DeFrates** hosted a great Apple Dumpling ride on the morning of Oct. 11. The dumplings were delicious, Linda!

That night, Chef **Michael Higgins** led a fantastic 2<sup>nd</sup> Annual Moonlight Ramble. A total of 93 riders signed in, and over 100 rode, about twice the ridership last year. Nearly 80 “joined” the event on our Facebook page, where ride videos are now posted ([facebook.com/spfldcycling](http://facebook.com/spfldcycling)). Thanks to **Robert LaBonte** of Bicycle Doctor for logistical support, and to the many club members who assisted with social media, ride marshalling and other duties.

Finally, **Roger Schnelten** hosted the 36<sup>th</sup> Annual Octoberfest on Oct. 12. This bike club-ski club event is a wonderful kickoff to the fall season.

Our first off-season Socializer will be held on Wednesday, November 12, from 5 to 7 p.m. at Fulgenzis on Sangamon. Our new Social Chair **Julie Ann Love** will host this event.

Other scheduled events in November include a Winery Ride on Sunday, November 9, led by **Mike Kokal**; both Club Ride and A-Ride show-n-go options on Veterans Day, Tuesday, November 11; and our traditional Cold Duck Ride show-n-go in Washington Park on Thanksgiving day, Thursday, November 27. See the ride schedule for details.

The weekend & holiday A-level rides organized by **Lisa Kidd** are a great option for extremely strong and competitive riders with expert bike handling skills.

As such, they compliment our (typically) slower-paced, shorter weekend & holiday Club-level rides, which during the off-season, default to show-n-gos starting from Vredenburg Park. During the off season, members are welcome to volunteer to lead a Club-level ride of their choosing, but are not actively solicited to do so.

Hope to see you at a club event or on a ride!—Tom

## Incentive Awards

*by Stephen Paca, Incentive Chair*

**RIDE OF THE MONTH:** The 42nd Capital City Century was voted Ride of the Month for September. We had great weather and a new route that stopped at the Clayville historic site. Riders who were up to the challenge rode an additional hilly loop to complete a double metric century, totaling over 125 miles! Thanks to event chair Harv Koplo, the committee chairs, the volunteers, and the 836 riders who made this a successful event!

**ALMOST ANYTHING AWARD:** The Almost Anything Award goes to Jon Noll, for hosting the start and finish of the Historic Sites Ride at the Lincoln Depot, the day before the CCC. He also provided a post-ride cookout to approximately 40 riders. It was great to have an historic site be an integral part of the ride.

In addition, we'd like to recognize these service providers of the CCC: the Sangamon Valley Radio Club for providing crucial support in coordinating event and SAG service; the local bicycle shops for being event sponsors: Ace Bicycle Shop, The Bicycle Doctor, Biketek, R & M Cyclery, and Wheel Fast Bicycle Co. Matt Saner and Kenny Venell of Wheelfast provided bike shop services at Clayville. Todd Mitchell of R & M Cyclery, assisted by SBC member Bob Sorenson, provided bike shop services at the K of C.

**RIDE LEADER INCENTIVE DRAWING:** Alan Whitaker's name was drawn for the Ride Leader Incentive award from the pool of eligible September ride leaders. He will receive a \$50 gift certificate to the local bicycle shop of his choice. Congratulations, Alan, thanks for being a ride leader!

***Any rider or member can nominate rides or leaders for the above recognition. Please send nominations or ride anecdotes to incentive (at) spfldcycling.org***

---

### Reminder To Turn In Your Volunteer Hours

While the CCC is still fresh in our minds, don't forget to turn in your volunteer hours to the Incentive Chair. You can send a message to [incentive@spfldcycling.org](mailto:incentive@spfldcycling.org), or contact Stephen at 217-766-2604. The goal of the Volunteer Incentive Program is to recognize and encourage volunteerism at SBC sponsored or endorsed events. A drawing is held and awards are presented at the Winter Party Awards Banquet in January, based on volunteer hours worked during the past year and reported to the Incentive Chair.

Eligible events are those for which SBC members are asked to volunteer by an individual designated by the Board for that event. Board members may not report hours for duties related to their board position. For every 5 hours volunteered and reported to the Incentive Chair, the member's name is placed in the hat for a drawing of four \$50 gift certificates, redeemable at the local bike shop of the member's choice. **A volunteer's name can be drawn more than once!**

## Nominations Sought for 2014 NoBell Award

Nominations are now being accepted for the 2014 NoBell Award. This is perhaps the highest honor that the Springfield Bicycle Club bestows each year: to recognize an individual who has made a significant contribution to bicycling in the Springfield area. The origin of the award's name is somewhat murky, but presumably involves the prestige of the international Alfred Nobel Prize and the more specific bicycling reference to a Bell helmet, one of the first truly effective cycling helmets.

While there are no formal requirements for being nominated for this prestigious award, the award committee takes into account the length of time the nominee has been involved in cycling and the contributions he/she has made within the local cycling community. Past award recipients have been recognized for going above and beyond normal levels of support and enthusiasm for bicycling. They have worked tirelessly to promote bicycling, contribute much to the club, and are admired and respected by their peers.

**Nominations for this year's award should be submitted to one of the members of the 2014 NoBell Selection Committee, which is comprised of former NoBell recipients. The members of the committee are: Matt Saner, Kevin Greene, Brigetta Ewing, Tom Clark and Bill Donels. You can make your nominations in person, by email, by phone or by snail mail, but the nominations should all be received not later than December 20<sup>th</sup>.**

To assist the NoBell Selection Committee in their task of reviewing nominations for 2014, it is recommended that you submit a brief narrative supporting your nomination, although this is not a requirement. The committee will do some research on their own before arriving at a winner for this year. Little-known information about a nominee is always appreciated and makes for a more informative and entertaining formal announcement of the winner.

Past winners of this prestigious award are:

1982 – Rich Huelskoetter	1983 – Greg Lakebrink	1984 – Louie Spinner
1985 – Dean Wisleder	1986 – Dave Ringland	1987 – Bud Cline
1988 – John & Marcy Werthwein	1989 – Dave Stjern	1990 – Mike Becker
1991 – Karl Kohlrus	1992 – Theresa DeLeon	1993 – Dave Heaps
1994 – Ernie DeFrates	1995 – Garland Stevens	1996 – Derek Ewing
1997 – Alan Josephson	1998 – Dave Lucas	1999 – Linda Butler
2000 – Mark Flotow	2001 – Don Struck	2002 – Lance & Lisa Kidd
2003 – Chuck Orwig	2004 – Cathy Yeaman	2005 – Cindy Kvamme
2006 – Lynn Miller	2007 – Robert LaBonte	2008 – The Elston Family
2009 – Bill Donels	2010 – Tom Clark	2011 – Brigetta Ewing
2012 – Kevin Greene	2013 – Matt Saner	

***Please give this some careful thought and get your nominations in to a committee member by Dec. 20<sup>th</sup>. Your support and input are greatly appreciated.***

***Thanks – The NoBell Selection Committee.***

## November 2014 Ride Schedule

For updates, corrections and last minute changes to the ride schedule please check the SBC website at [www.spfldcycling.org](http://www.spfldcycling.org). Unless otherwise indicated, **weekday** daytime rides will not take place on holidays. All rides return to the starting point unless otherwise noted.

RIDE CLASSIFICATIONS	
<b>NC</b>	<b>Non-Cycling events.</b>
<b>MB</b>	<b>Rides suitable for mountain bikes.</b>
<b>EZ</b>	<b>For riders who prefer a pace under 10 mph.</b> These are purely social rides. Expect short routes either in town or on a trail and expect to ride as a single group. No one will be left alone at the back of the group and assistance is provided for flats and other minor mechanical problems.
<b>D</b>	<b>For novice or recreational riders.</b> Expect to ride at a pace of 10 – 12 mph with rest stops as needed. Expect the ride leaders or another club member to stay with the slowest rider and to offer assistance for flats and other minor mechanical problems.
<b>C</b>	<b>For competent riders with basic safety and bike handling skills.</b> These rides combine social riding with improving fitness and riding ability. Expect that most riders will ride in groups at a pace of about 12-15 mph. There may be rest stops on the route, but they will be limited. Riders are comfortable navigating by map if separated from the group and can handle their own mechanical repairs.
<b>B</b>	<b>For strong, experience riders with considerable group riding experience.</b> Expect the emphasis to be on improving individual stamina and riding skills. Most riders will maintain a pace of 16 – 18 mph and will not feel obligated to wait for slower riders. Pace lines are common. Riders are able to handle their own mechanical repairs and are comfortable navigating by map if separated from the group.
<b>A</b>	<b>For extremely strong and competitive riders with expert biking handling skills.</b> Expect riders to be self-sufficient and to maintain speeds of 19+ mph for extended distances using pace lines.

If you have questions about whether a specific ride is right for you, give the ride leader a call. If you are unsure about your cycling ability, try a ride with a group one class below where you think you might be. You can then move up until you find the level that is right for you.

Please arrive for rides 10 minutes early. Be sure that your bike is in proper working order before you arrive. All riders are strongly encouraged to obey traffic laws, wear a helmet, carry everything necessary to fix a flat tire, and bring hydration. If the ride leader fails to appear, form a group and go on a ride if you like. Then turn in your miles to the club record keeper ([records@spfldcycling.org](mailto:records@spfldcycling.org)).
